## TERMS OF SALE

All coins and bills are guaranteed genuine.

New Bidders or customers sending in bids for the first time **must** positively give first-class reference, bank reference preferable, or else send a deposit of at least **25%** of the total amount of bids. Otherwise, their bids will not be accepted. To those known to me who have established credit, a reference or deposit is not necessary, and purchases will be sent out promptly after the sale. In appreciation of this courtesy, the purchaser remits promptly.

The terms are prompt cash settlement after the sale, and no time given. Collectors who are not certain that they can pay **promptly**, are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

Remit by money order, draft, check, or in any way most convenient. Stamps accepted for accounts that are below one dollar only.

Coins will be bought below your bids where other offers permit, as this is competitive bidding, executed in good faith.

The usual charge of **5%** will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. This fee is very low for the superior service I expect to give you.

Received bills are not sent out after your remittance as this is unnecessary. Your check, draft or money order itself its a receipt. However, if a 3-cent stamp is enclosed we will send receipt.

Be certain that you bid on the lot you wish to buy. We will correct errors and adjust claims, but you should not expect us to pay for your mistakes. Be careful in making your bids. Be sure that you bid on the lot you wish to buy, and at so much per piece.

Bids must reach me by the morning of the sale. Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, and there are no higher bids, the first received gets the lot. When two or more unlimited bids on a certain lot are sent, the first one received gets the lot at a **5%** advance over the highest actual bid.

Between the seller and buyer, my position in describing the con-

dition of coins and bills has been neutral. My classifications are generally considered to be conservative, by the collecting public.

It is easy to bid by mail. If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill, and joy of satisfaction.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay \$6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece.

**Special Notice to Canadian Bidders**—An excellent collection of Canadian coins is offered in this sale. As a special inducement to Canadian Collectors to bid liberally on them, we will accept Canadian money and checks in payment of your bill on a dollar for dollar basis. This will save you your usual extra charge which has run around 20%.

 Haseltine No. 10 (18 berries on reverse, 9 on either side).  
 Haseltine No. 12 (lower curl touches one point of first star, but terminates in a sharp point to right. 13 berries on reverse).

**Collectors**—Beware of one Bert Handelsman of Batavia, N. Y. He has a long standing account, which he does not pay.

Just four or five of those "In and Out" fishpole holders left. If you want one, hurry. The price is \$1.25. The best holder you ever used, or your money back, and keep the holder. Keep on fishing when you eat lunch in a boat or row or do any other work, and you won't lose the fish if he strikes. Right here I want to tell you that my recent trip to northern Wisconsin yielded 94 fine wall-eyed pike, besides many other fish. This has been a good year for the followers of Isaac Walton.

## NEXT SALE WILL BE HELD OCTOBER 24

My 86th auction sale of rare coins and paper money will be held Tuesday, October 24, 1933. This will be a very fine sale, as several collections of importance are already consigned. The catalog is now in preparation. There is yet time and space for your collection, if you attend to the matter soon after you receive this catalog.
